

Staying Safe Online

Online Safety Newsletter 3

April 2026

This Term's Focus: PHONE SETTINGS

Little explorers need a helping hand online!

- Keep an eye on every tap and swipe
 - Show them what to do if something pops up: "Flip it over and tell me".
- Keep devices in shared spaces so you can join in.
- Add parental controls to make their digital world safer.

Phone settings for little explorers

Supervise every tap

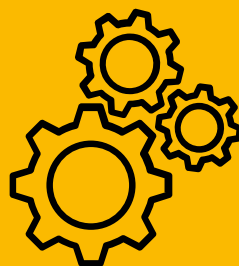

Teach: "Flip it over if something pops up!"

Keep devices in shared spaces

Use parental controls for apps and content

Turning settings into a shared activity helps children feel confident and safe online.
