

Nursery

Key Skills

Resources

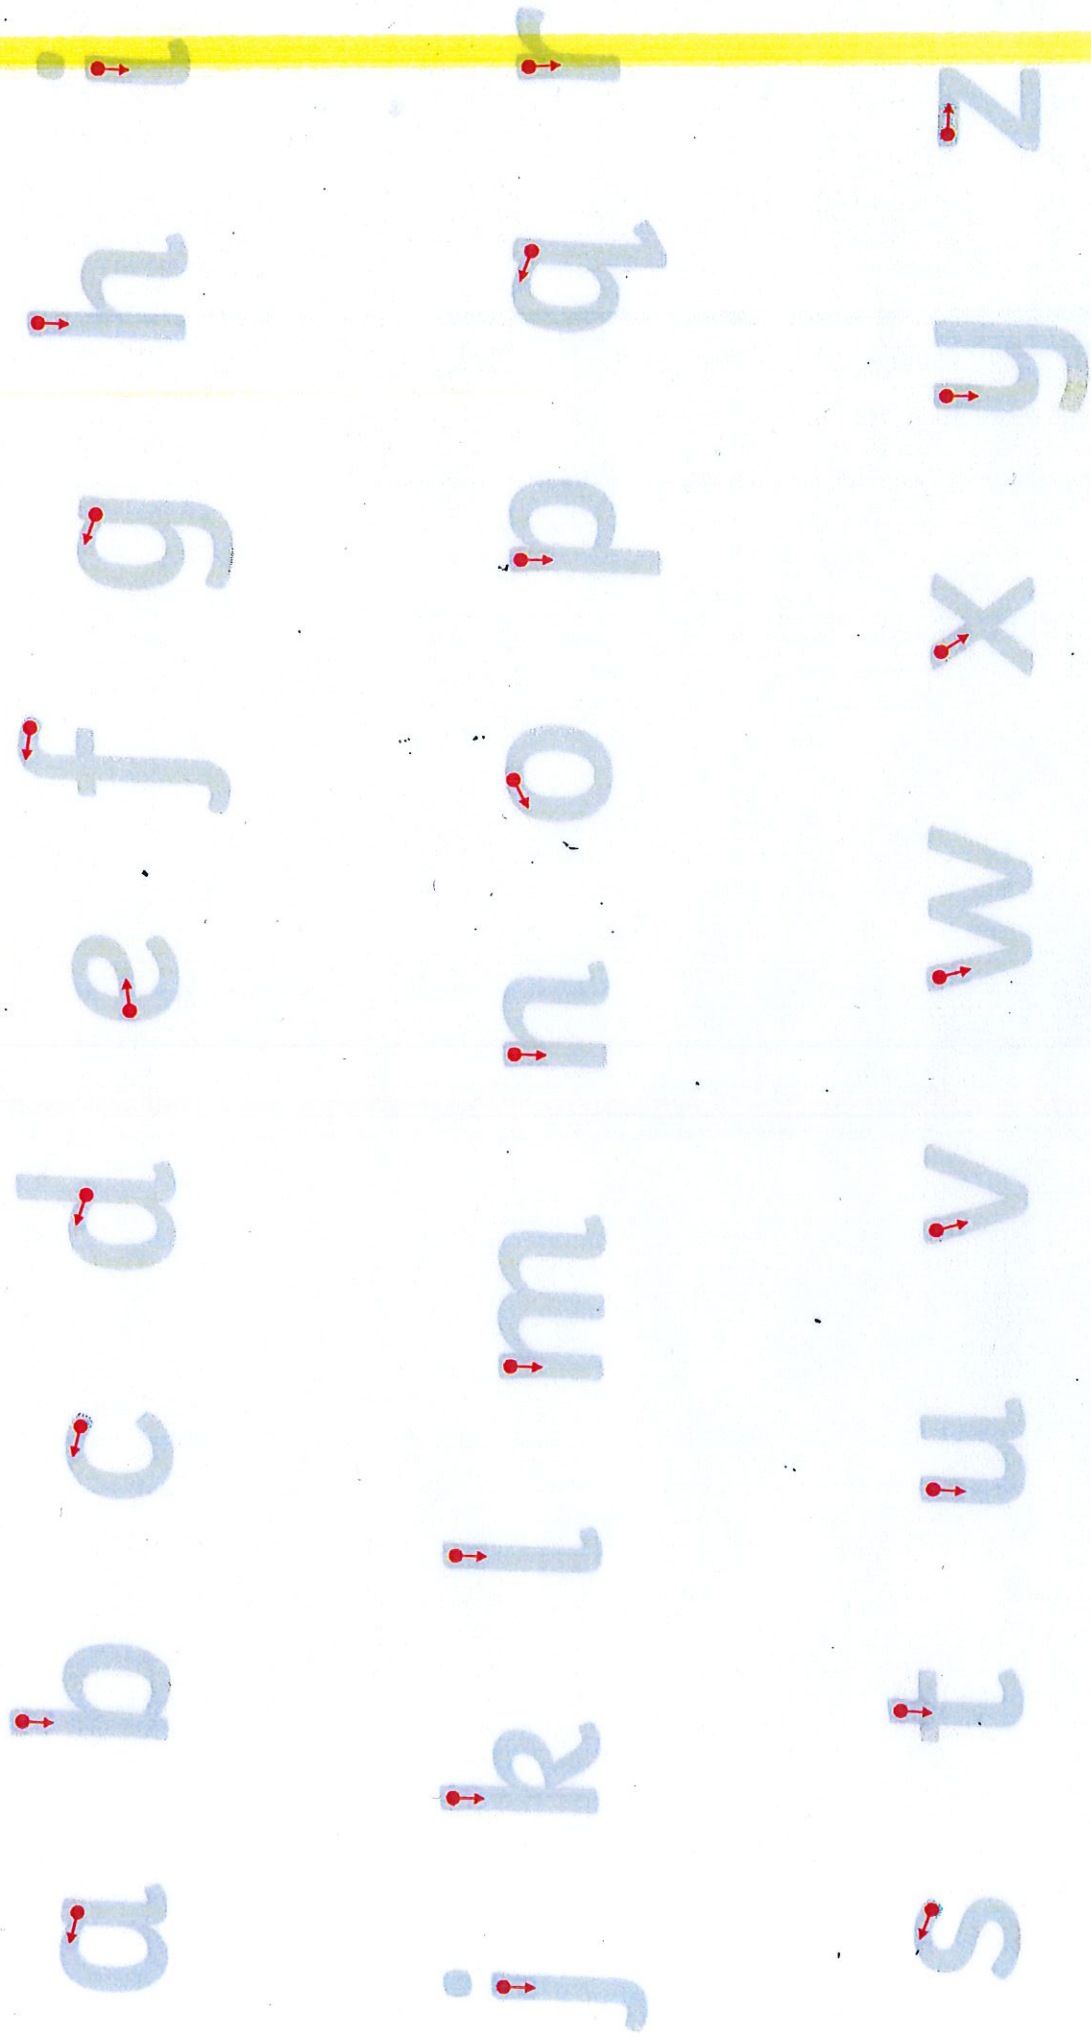

Practise one of these activities each day using your whiteboard pen.

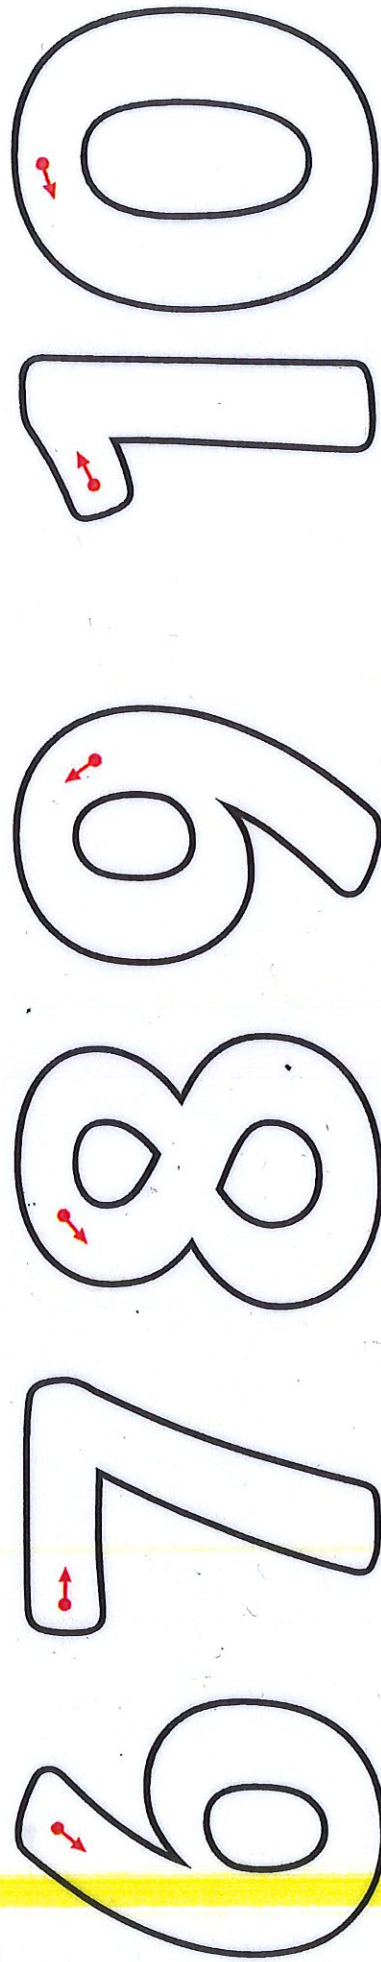

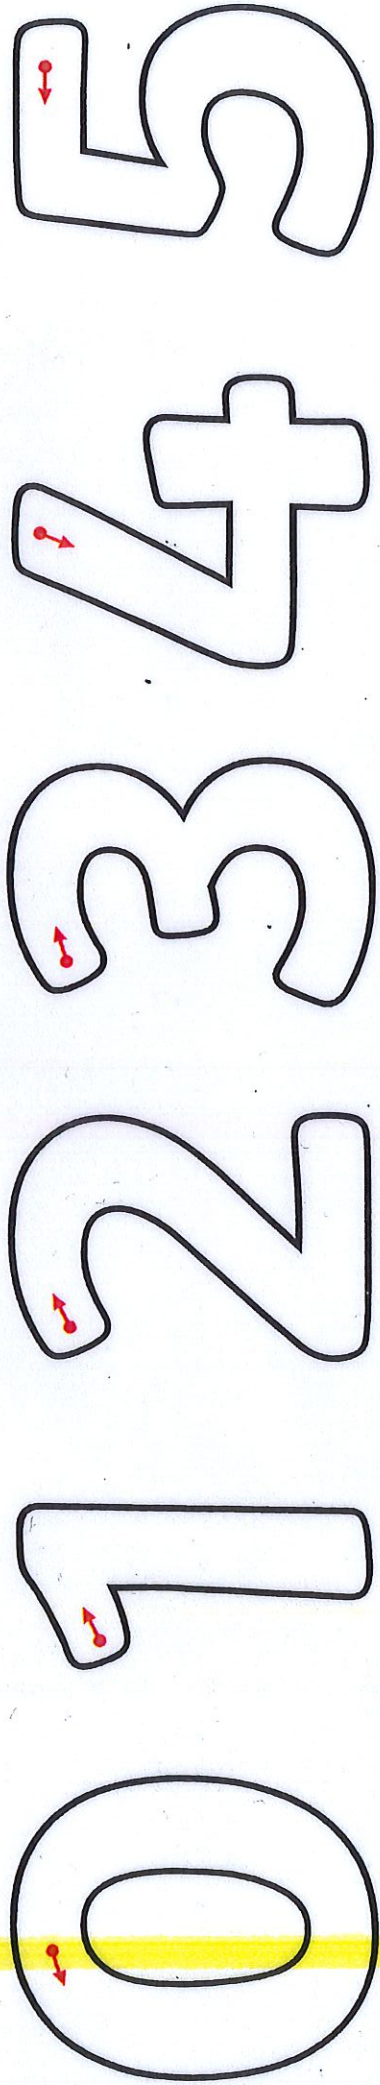

We are focussing on recognising and forming numbers between 1-10 this term, writing our name and beginning to form familiar letters.

Letter Formation Practice Sheet

Number Formation

Can you trace the numbers?

Nursery Home Learning Timetable

This is just a guide as to how you might want to plan your home learning. Please remember to include lots of play and breaks in your day! ☺

- Start the day with your 'Key Skills' Pack using your whiteboard pen.
- Sing along to the Cbeebies 'Days of the Week' song found on their website.
- You could choose a 'Numberblocks' or 'Alphablocks' episode from Cbeebies on BBC iPlayer before starting the activity in your booklet.
- Choose an activity from the booklet to complete (10-15 minutes).
- Play a game together like 'I Spy' or 'Musical Statues'. (There will be lots of ideas for games on 'Tiny Happy People' or 'Hungry Little Minds' online).
- Have a go at a 5-a-day exercise video (Login Details in Booklet)
- Go on a walk (outside or inside) and see what you can find! You could go on a colour hunt, a shape hunt, a minibeast hunt or just see what you can find!
- Enjoy playing and spending time together, have lots of conversations and have fun building, creating and making!
Don't forget to keep us updated with pictures and messages! We miss you!
